COMMENTS  
OF  
KNOXVILLE CHANNEL 25, LLC

Knoxville Channel 25, LLC ("KC25"), the proponent of the allocation of DTV Channel 7 to Knoxville, TN, submits hereby its comments in support of the *Notice of Proposed Rulemaking* ("NPRM") adopted by the Commission on October 23, 2003, in the captioned matter whereby the Commission proposes to effect the allocation requested by KC25.<sup>1</sup> In furtherance whereof, the following is shown.

1. KC25 hereby commits promptly to amend its pending application for a permit to construct a new station to specify operation on DTV Channel 7 at Knoxville at such time as that allocation is effected by the Commission and, thereafter, promptly to construct the proposed station.

---

<sup>1</sup> As recounted at Note 1 of the NPRM, SWMM Knoxville Corporation and Channel 26, Ltd., entered into a universal settlement with KC25 whereby KC25 is the surviving applicant among those involved in the seminal application process underlying this proceeding. Those entities join in the instant comments.

2. KC25 hereby adopts and incorporates by reference all of the pleadings and submissions it has previously filed in this proceeding. For the reasons set forth therein, and as recited in the subject NPRM, the proposed allotment change would serve the public interest.

Respectfully submitted,
